

THE  
**ZONTA**  
**CLASSIC**  
*Women Golfing For Women*

February 2015.

Dear

Plans are well underway for the 17<sup>th</sup> annual **Zonta Classic “Nine and Dine”** golf tournament. This women-only golf event will once again raise funds for women’s health issues with a focus this year on women’s mental health stigma reduction and support programming. The tournament will be held on Thursday, June 4<sup>th</sup> at the Caledon Golf and Country Club in the scenic and challenging escarpment terrain.

The Zonta Club of Brampton Caledon is just one of a number of Zonta service clubs found throughout the world that serve their communities through support and advocacy at the local level. While the primary objective of this event is to bring professional women together for a fun-filled day in a scramble golf tournament and a common goal of raising money to support women’s health issues, we need your help. Although there have been great strides made in addressing mental health issues, there is still much to do. Your local Zonta Club is inviting you to take an active role in supporting this worthwhile cause.

The attached package includes sponsorship opportunities available to promote your business to professional women and a registration form to share with your clients, friends, and employees. What a great opportunity to demonstrate your community support and social engagement on issues that matter. We look forward to hearing from you and will tailor your partnering with the Zonta Classic to be a win-win opportunity.

Sincerely,

*Marion*
